

EGGS (Eccentric Gathering of Good Souls)

"Love is the quality of attention we pay to things" J.D. McClatchy

"Attention is the rarest and purest form of generosity." Simone Weil

Within a loving community we can explore the mystery we are all living, and can be helped to "launch out into the deep". Chaplaincy creates one more brave and generous space on campus. Those who have religious affiliation and those who have none, all are welcomed. We meet for a meal and conversation, sometimes guest speakers and board games every Tuesday evening of regular classes, 6-8 in the Chaplain's Centre (HUB 169). Rick Mast (he/him) rmast@ualberta.ca
